

# **TRAINING OPPORTUNITY:**

## **THE ESSENTIAL SKILLS AND KNOWLEDGE REQUIRED TO MASTER THE CUSTOMS CLEARING PROCESS**

Join our comprehensive training course designed to equip you with the essential skills and knowledge needed to master the customs process. Whether you're new to international trade or looking to enhance your expertise, our course covers everything from completing customs warrants to understanding tariffs, duties, and fees. You'll gain valuable insights into customs policies and procedures, learn how to avoid costly delays and mistakes, and accurately calculate the cost of imported products. Don't miss this opportunity to streamline your import operations and ensure compliance with customs regulations.

### **KEY TOPICS**

- Completing Customs Warrants
- Understanding Tariffs, Duties, and Fees
- Insight into Customs Policies and Procedures
- Avoiding Delays and Mistakes
- Accurately Calculating the Cost of Imported Products

### **LEARNING OUTCOMES**

At the end of the training session, you should be able to:

- Clear goods effectively and efficiently
- Save Time and Money
- Develop a deeper understanding of customs policies and procedures
- Apply new knowledge and skill to manage your business more effectively

### **WHO SHOULD ATTEND**
