

The Nomad Digital Residence (NDR) Programme under the auspices of the Antigua and Barbuda Department of Immigration wishes to advise the public that the NDR Programme will come to an end on **November 15, 2025**.

The NDR programme was launched in 2020, to welcome remote workers who earn their income outside Antigua and Barbuda to live and work from our twin-island nation. This initiative provided qualified applicants and their dependents with residency status for up to two (2) years, allowing them to enjoy the country's natural beauty and quality of life while contributing to the local economy.

Over the past five (5) years, the programme successfully attracted remote professionals from around the world.

As the NDR programme closes its curtains, the Government of Antigua and Barbuda extends sincere appreciation to all applicants, partners, and stakeholders who have contributed to its success.

Current NDR visa holders with any questions or concerns may contact the Department of Immigration for further information at contact numbers – (268) **562-8755** or (268) **562-1387**.
