The Eastern Caribbean Greenpreneurs Incubator Program Announces Selection of its Third Cohort of Green Entrepreneurs.

The Antigua and Barbuda Investment Authority is pleased to announce that four Antiguan *Greenpreneurs* have been selected as part of the 3rd cohort of the Eastern Caribbean *Greenpreneurs* Incubator Program.

The Eastern Caribbean *Greenpreneurs* Incubator Program was launched in 2021 and is a collaborative initiative of the Global Green Growth Institute and the Organization of Eastern Caribbean States which is funded by the Qatar Fund for Development (QFFD).

The programme features twelve weeks of virtual business training to include mentorship, 1-on-1 coaching and networking opportunities culminating in a Business Plan Competition.

Up to 10 businesses can qualify for grants of US \$10,000.

The ABIA congratulates Juana McKenzie-Joseph of rEvoke Solutions, Enrique Williams of MimMushroom Farm, June M Jackson of GAPP – Garden of Vetiver and Collin Brown of RAE.nrg on their successful application.

It is our goal at the ABIA and the Entrepreneurial Development Program, EDP, to continue to provide training and business development opportunities for Small and Medium-sized Enterprises in Antigua and Barbuda.
