

PRESS RELEASE

News About: Technical Assistance For Micro, Small and Medium sized Businesses (MSMEs)

The Antigua and Barbuda Investment Authority (ABIA) in collaboration with the Caribbean Development Bank (CDB) will be offering Technical Assistance to MSMEs in the area of Financial Management. The objective of the assistance is to provide one-on-one assistance in the area of Financial Management to such businesses.

In order to qualify for one-on-one Technical Assistance, you will be required to register and complete the course on Financial Literacy and Management Training to held September 30th to October 3rd, 2024, at the Department of Environment Conference Room 5:30 pm – 7:30 pm nightly, cost \$150.00.

Benefits of attending the course on Financial Literacy and Management Training:

- Improved skills to manage business and personal finance
- Increased ability to make wise financial decisions
- Knowing how to navigate common financial challenges facing many businesses
- Knowing how and when to access financial support successfully
- Apply skills and tools provided to improve overall business performance
