

# INVITATION FOR BIDS

Date: January 8, 2026  
Contract Identification No: **25301**  
CDB Loan/Credit No.: **16/OR-ANT**

## Road Infrastructure Rehabilitation Project – Antigua and Barbuda – Additional Financing **Friars Hill Road Infrastructure Works - Package 4**

1. The Government of Antigua and Barbuda has received a loan from the Caribbean Development Bank (CDB) towards the cost of the Road Infrastructure Rehabilitation Project – Antigua and Barbuda – Additional Financing and intends to apply part of the funds to cover eligible payments under this Contract. Under the Project, the Government of Antigua and Barbuda will be carrying out infrastructure works along the Friars Hill Road and Sir George Walter Highway, including major drainage works on Friars Hill Road near Woods Mall and works to address the major flooding issues at Sir George Walter Highway.
2. The Project is being implemented by the Ministry of Works, through its Project Implementation Management Unit (PIMU). The PIMU has contracted Consultants who will assist the PIMU with delivering the Project. The Consultants have prepared designs and contract documentation and will assist in tender administration and evaluation and supervise Project activities.
3. The Ministry of Works invites sealed bids from eligible bidders for road and infrastructure works on Sir George Walter Highway from **Airport Junction to Old Parham Road Junction**. The works include:
  - a) Drainage works: Construction of reinforced concrete culverts, pipe culverts, concrete box drains and earthen drains
  - b) Construction of reinforced concrete retaining walls
  - c) Construction of reinforced concrete sidewalks
  - d) Construction of new bus shelters, and repairs to existing
  - e) Reshaping and reinstatement of existing road shoulders.

The time for completion is eighteen (18) weeks.

4. Bidding is open to local bidders only. Bidders will be required to submit full qualification information with their bids establishing their qualification to perform the contract if the bid is accepted. Details of qualification criteria are listed in the Instructions to Bidders and Bid Data Sheet.
5. Bidders may obtain further information at the address below:
