Minister of ICTs, Utilities and Energy hosts Meeting to Align Team

St. John's, Antigua | 29 May 2026 —Minister of ICTs, Utilities and Energy, the Hon. Melford Nicholas met today with Heads of Departments, Managers and Senior Officials from within his Ministry. The objective was to reaffirm the Ministry's mission and vision while aligning priorities for the year.

This strategic meeting aimed at strengthening collaboration and enhancing service delivery throughout 2026.

“Our commitment to enhancing the ICTs, Utilities and Energy sectors is unwavering. It is essential that our plans reflect our collective responsibility to innovate and meet the needs of our community, stated Minister Nicholas.

The Minister emphasized the importance of open dialogue and teamwork, ensuring that each department's objectives are in synch with the broader vision of the Ministry. He expressed confidence that, with the unified approach, the Ministry will be well-equipped to deliver on the goals, benefitting the people of Antigua and Barbuda.

The meeting concluded with a call for strong commitment from all participants to work diligently towards these objectives, reinforcing the Minister's vision of a sustainable and technologically advanced future.
